

WALL MOUNTED SINK BOWL

PRODUCT CODE

283:284

November 2006

Special Features

- ▲ HYGIENIC DESIGN
- ▲ LARGE FLAT BOTTOM BOWL WITH EASY CLEAN RADIUS CORNERS
- ▲ HIGH SPLASHBACK
- ▲ AVAILABLE IN TWO SIZES

Description

The wall mounted sink bowl is ideal for washing and cleaning bulky utensils such as those found in kitchens, food processing and preparation areas. Available in two sizes, each sink bowl has a large flat bottom bowl, and is supplied with a stainless steel splashback and wall mounting brackets.

Construction

The wall mounted sink bowl is manufactured in one piece without joints or crevices from grade 304 stainless steel, with all exposed surfaces polished to a satin finish.

The sink bowl has a flat bottom with radiused easy to clean internal corners and is supplied as standard with a combined waste and overflow fitting plug and chain, together with a stainless steel splashback and wall mounting brackets.

Option

- ▲ Bib cock taps (see catalogue section 6 - product code 6713BCHC).

Technical Specification: Wall Mounted Sink Bowl

Waste Outlet

The wall mounted sink bowl is supplied with a 38 mm (1½ in) BSP combined waste and overflow fitting plug and chain.

Fittings

The wall mounted sink bowl is supplied with a stainless steel splashback and two wall mounting brackets.
